I have wonderful memories of Ronnie. My Dad, Chet Townes who Ronnie was named after was his mom`s brother. (My Aunt Ruth). I loved to visit the family farm as a child. I loved to see Ronnie and his brothers getting all dressed up and smelling so good, finishing touches being done at the kitchen sink, in those days, on a Saturday night. Making their way usually to the dance hall in Orr Lake. He had the greatest smile and so kind. Sorry to hear of his passing. It has been many years since I have saw Ronnie and any of you children. You are all in my thoughts and prayers.

Sorry to hear of Uncle Ron's passing. Gary and I have fond memories when we were younger on the farm with Uncle Ron. He also, came out to see me with his dog when they were out for a drive. Time heals but memories are forever.
