Tom, John, Gracie and Nancy....I'm SO sorry for your loss! Peter was my good friend, my pal, my shoulder to cry on and my knight in shining armour. When I needed him to help me around my house...he was there! We shared a fond liking for the Blue Jays, BonFires, BBQ Ruffles and a cold beer (or few). However...we both shared the love for another person, JO, the love of his life. Both gone way too soon, way too young. I miss him already. So long Peter, my friend, until we meet again.....

I am sorry to here about Peter's passing. We were Highschool friends and had fun with some old mustangs Peter would get running and we would try out on the gravel road. Peter always had ingenious ideas to get more power out or the engines. Condolences to the family
