

JOAN EDITH REVIE

I have good memories of Aunt Joan in my early years while visiting in Toronto. Before her separation with Uncle Bob, their household was always a busy, somewhat chaotic place, but full of life and laughter. As a kid, it was freedom from rules and a chance to have fun with our cousins George and Rob. Want to jump on the bed and eat chips at the same time? Go for it - don't worry 'cause Aunt Joan is a nurse. Nothing seemed to faze her - she was calm under pressure. Later years brought different challenges for her, but she was always a reliable "ear" to not so much me, but my sisters and her own sons, who she truly loved. My last visit with her was at a family gathering at my sister's place about five years ago. Since we live in Alberta, those gatherings are few. However, everyone had a few drinks and many laughs - the family spirit was high along with some good natured teasing, which always shows up when the Revie clan gathers. Rest in Peace Aunt Joan - you have lived a rich and fulfilling life.

It was a pleasure sharing music with you while you were a member of the O.P.P. Chorus. Your pain is over, Joan. Bask in the sunshine of God.

I felt such sadness when Rob called to inform of Aunt Joan's passing. Such an inspiring lady; a genuine career gal with a huge heart. Always a nurse. Always a touch of class at the Revie gatherings - watching and listening, instead of, well, you know... Fun to have a glass of wine with though! :) She will leave a huge void in the family. My heartfelt condolences to you George and Rob and families. Treasure your memories and heal well. Deb

My deepest sympathy to Joan's family. I knew her for such a short time but will remember her with joy forever. It was one of the pleasures of my life to work with her in our community.

To Joan's Family: To know Joan was to engage with a woman of great passion who believed deeply in serving the Lord by improving people's lives. Her work with Presbytery and Toronto Conference helped paved the way for new beginnings within the United Church. Her dedication to the Presbytery camp, Camp Simpresca was her way of providing for future campers. Thank you, Joan. Your life journey within the church will be remembered. Love, Greta

Aunt Joan was always the sane, logical voice within the Revie family. She was an independent, professional woman who spoke her mind. From early on in my life and well into my 20s, she had a profound effect on me. At a few crucial times I went to her for advice and she was always non-judgemental, rational and helpful. I valued her as a mentor--a real auntie--because I knew I could trust her consistent presence to just "be there." I will miss you. Rest in Peace Aunt Joan. Your niece, Linda.
