PATRICK VINCENT STONE

Mary and family, you're in my thoughts, prayers and heart at this difficult time. Pats the one who taught me how to milk a cow and then sprayed me with the milk 'laughing with that great smile', encouraged me to spend more time in the fields 'picking rocks' with Wendy. He filled my 'farm life' void and I will cherish these memories forever. Even though I am in Balzac, AB I am still close in heart. Luv Jolene :) xo

Mary and family, The Cooper kids are so sorry to hear of Pat's passing. We will never forget his big smile. Father used to send me racing out to the road to wave at Pat as he drove by and I always got back an even bigger arm wave from him. We all cherish our memories of life growing up just down the road from the Stone family. Please know you are all in our thoughts. Allan Cooper

This is a man who I will greatly miss. Not only was he our neighbor he was a mentor and friend. I could always approach Pat with any question, concern or comment and know that I would get a straight forward honest answer. His smile is engrained in my memory and is as much apart of my childhood as anything. Rest in peace Pat.

Sending heartfelt hugs to the whole Stone family. I have very fond memories of Pat (also warmly known to me as Dad Stone). His smile being one of them. I am sure I am just one of many people's lives of whom he had a positive impact on. My thoughts are with you all during this difficult time and I hope the memories of him bring you some comfort. Rest in Peace Pat.

Mary: So sad to hear that another good friend has left us. We always enjoyed times with you and Pat during our younger years and will be forever grateful of how you both looked after Al the night before we got married. Pat will be missed terribly by friends and family but his struggle to live was beyond difficult and he is now free of that. We will be there with you and your family on Monday.
