Gail & Carol, please accept my sympathy for the death of your mother. She was an amazing woman, who put me to shame with her active lifestyle! It was a pleasure to know her, Jill from Pieces of Olde asked me to pass along her condolences as well. She just had surgery on her hand & is recovering. I am sorry to miss the service for your Mom, unfortunately I have two appointments that afternoon. Please extend my sympathy to your families. Yvonne Healey

Gail and Carol, my thoughts are with you. I loved your Mom. She was a great lady who enjoyed everything and everybody, especially her family. Dave, Lori and I always so enjoyed our visits with her and seeing the new photos of everyone and where she had been. Bless her, she left this world just the way she had hoped to. Good for her! Luv to you both, Karen

Dearest Gail and Carol. Our deepest condolences for loss of your wonderful mum. She was truly one of a kind. To the Shewchuk and Tinney family our extended condolences for the loss of your lovely Nana. We have no doubt she is enjoying her reunion with Grandpa Eldon. Lots of love from Alek, Una, Cushla and the rest of Tokoma family.
