The members of the Elmvale Curling Club wish to send their condolences to Ellen and family. Dennis will be missed at the Club on Mondays and Fridays. Even with failing eye site, Dennis loved the game so much he would not quit. Win or lose, Dennis always had a smile and a good word for his fellow curlers. Hopefully when the thunder sounds in a rain storm, it will be Dennis making a takeout.

Sorry to hear that Den has passed. He has been involved in so much Elmvale area sports and he would be highly skilled in all he took part in...Curling, softball, hockey...and more I always felt comfortable talking with Den as he remembered so much about the players the founding of teams and leagues, and championship series and results. RIP Den
