Brian and Sheila please accept our deepest sympathy. Take comfort in that the Lord has called your dad home. He will reunite with your mom in Heaven. He will be with you always in that special corner of your heart.

We lost a dear close friend! We will miss Harvey stopping in at the sawmill. Harvey always dropped something off that he thought we

needed and I would drop off lumber at his place. He would make benches that never break so every time we look at them we will think of you and your smiling face. Your good friend Bob Ritchie

So sorry for your loss . Harvey was a good friend and fishing buddy since moving to Elmvale. We spent many days fishing on Lake Simcoe and Georgian Bay. I learned a lot about his life and how proud he was of his family. He will be missed.

On behalf of the Stewart family, I extend our deepest condolences to all of the English family cousins and other extended family members. I always looked forward to and enjoyed the trips that Harvey and Genie took out our way. We have many fond memories of them both. I will remember Harvey as being a lot like my dad in that they both appreciated a good joke and were great story tellers. Please know that our thoughts and prayers are with you during this time of sadness.

Having just returned to the country, it greatly saddened me to hear of the passing of someone I didn't get to know that well but left a lasting positive impression. My sympathy goes out to all his family.
