Wow, what a loss. Some of the best memories of my childhood were with David. Uncle Ted, his dad, Aunt Helen, his mom, Susan, everyone knows Susan, it was just a good experience being with them. David, you are sadly missed. I am so sorry for all the years that I didn't seek you out. There is not a time that seeing you did not bring me a smile.

Oh my gosh we still can hardly grasp that our dear and wonderful friend has left us. We will miss his wry sense of humor and the twinkle in his eye while waited for his comment to sink in and crack up his audience. Thinking of Dave, we can't help but smile at his hilarious antics over many years. Warm memories and hearts full of love and laughter. And now tears. Thinking of and praying for you dear Nancy, Mike and family. Gary and I cherish our moments with most awesome Dave. He will remain forever in our hearts ♥ ☹️

Nancy, our sincere sympathies to you and your family. Growing up, David was always so quiet and shy but grew up to be so funny and personable. Wish we had been able to spend more time with him. We'll always remember our fun times together at Grandma's. Patricia (Trish) and Brad Thomson

I was very saddened to read about David's passing yesterday. I worked with David at Ontario Hydro about 15 to 20 years ago. He was a quiet and very knowledgeable person with a great sense of humour and an infectious smile. A real gentleman. I send my deepest

condolences to Nancy, Michael and the rest of his family.
