

SHEUMAS JOSEPH FAY

Our thoughts and prayers are with you all. I will always remember Uncle Shamus for a lot of reasons but the one thing was how he could always make me smile! I also remember that the Fay family gave us a picnic table for a wedding gift and it took a while for uncle Shamus to get it to us and if we seen him he said he was still working on the hole in the middle of the table. We still have the table so I guess he did a good job on the hole. We will miss him a lot but I am glad uncle Shamus is at peace.

I can't help but smile through my tears of the memories I have of Uncle Sheumas. How he nicknamed Patti and I Stan and Lloyd. I can still hear him calling me Lloyd and chuckling. He was such a hard working but yet loving generous person who would give anyone the shirt off his back. We will all be holding a pint up in your honour this weekend. Love Lloyd - (Andrea)

To the Fay family, I am so sorry to hear of the passing of your husband and father, Sheumas. I can't help but smile to think of him. I imagine there were very few days growing up in Williamsford that I didn't see your dad in our store. I think he usually started his work day with gas and a coffee and a good conversation with my mom. He often had one or more of the boys with him. I remember him being so community oriented, sponsoring me for the skate-a-thon, coaching our girls hockey team, Fay Construction buying jerseys for hockey or ball teams, etc. Those really were the good old days. I pray that your memories will help hold Sheumas close to your hearts. He was a good man. Thinking of you all, Wanda Lang (Flooren) Richmond, Virginia

I can't remember the exact moment that I met Sheumas and Catherine and their family but I knew the moment I met him I liked him, I liked all of them! There was nothing small about the man from his laugh to his great sense of humour along with that twinkle in his eye when he was teasing you. He had a gentle serious side that did not pass judgement or have a condescending manner. He simply loved with all his heart and you knew he genuinely cared about you. People come into your life that you can't forget. For me, Sheumas was and is one of those people. Memories are such wonderful things. Gather those memories and stories around you at this time. Big hugs, a kiss on the cheek and LOVE to you all. He is finally at peace. Cheryl xoxo

The memories are priceless. I will always treasure the times spent in Sheumas' presence. Community and Family were always involved and I respected him for that. From the Fay Construction and C+9 jerseys to the impromptu parade to the shop to celebrate the WOAA championships. Rest in Peace. I cannot be there in person but rest assured, I will raise a glass in Sheumas' honour. God Bless Boo

Sheumas donated so much by way of equipment, manpower and expertise to the development of Heritage Park in Elmvale. We admired his commitment to community. George also valued his friendship through curling, and years ago his support as a hockey parent. Sheumas left us with memories to value forever.
