

## RONALD FRANCIS FRANKCOM

I am deeply saddened to hear of Ron's death. The community certainly has lost one of its finest citizens. The family will feel this loss deeply. He was always kind to Charlie and I remember him fondly for that. I wish the entire family peace and serenity. Shelagh Columbus

Our condolences go out to Faye and families. Ron will be truly missed at the Curling Club as not only a curler but as a mentor and friend to all us day curlers. Ron's handy work around the club will always remind us of him in the future. Ron has represented the Elmvale and Midland Curling Clubs for over 60 years on and off the ice. Curling will never be the same without Ron.

Faye, my condolences on the loss of Ron. He was responsible for the highlight of my curling days when he took us to the Ontario Joe Todd Senior playdowns in Brantford. If his final shot hadn't picked, we would have gone to the finals. A great curler, a great sport, and a role model for all who play the game.

To the children and families that were part of the lives of Ron and Faye: Ron was awarded "Senior of the Year" in 2005, a fitting salute for all his work for this community. He has been a model for those involved with sports, and a friend to those of us who shared his dreams and were privileged to work on his teams. Our hearts are heavy for the passing of Ron but we were enriched by his life.
