

ROBERT (BOB) SLEIGH

Bob thought of family first and loved sports. Over the forty years we knew him, he was a good friend and we will miss him at Woodland Beach.

The members of the Elmvale Curling send their condolences to Bob's family. Bob was an active member of our Friday and Monday senior curling group and will be greatly missed. Bob's sense of humor and up beat attitude on and off the ice made everyone smile and enjoy the game of curling win or lose.

So sorry to learn of Bob's passing. I knew him from his years at Baxter Corp. I will always remember him as being someone you could go to for help. He always treated us with respect and was always a gentleman.
