Michael O'Reilly worked for my office from June 1, 1990 to Nov 1, 1994. I always looked forward to Mike coming in the morning as he was always cheerful, respectful of my staff and good matured. In the 5 years that Mike worked for me we never had a cross word. Now and then Mike would say, "Its your business" however, may I tell you what I have observed or he had a suggestion to make. I would always say Go ahead Mike I appreciate your input. Mike always cared about the staff and Will Marshall Insurance Brokers Ltd. He was truly a Gentleman and cared about the customer as they where all his friends. Mike just loved his home at 6 mile and I know the last years of his life where years of peace. I still miss his smile and Irish wit. We had many a good talks and laughter over the years. God Bless you Mike O'Reilly and all the best to Mardie, Wayne, Edward & Suzzane
