Warren has left a huge hole in our hearts. We loved his kind generous nature-"anything for family and friends". That was his motto. He was inquisitive and a problem solver through life. May his soul rest peacefully now.

Warren was such a life force. He had so much personality, so much presence. Never a harsh word about anyone, just about the kindest person imaginable. As we write this, it is very clear there will never be another like him. We will miss him deeply. Wendy, Adrienne, Chris and Meg, we think of you every day. Love Randy and Pam.
