

CORA MARGARET SWEENEY

Aunt Cora was a very special woman, I will always cherish her sense of humor and acceptance of life. I first got to know her, when helping with Frances, all those years ago. She is a real treasure. May your memories bring you peace and comfort. Thinking of you all.

Cora Sweeney was my grandmother. She was amazing, creative and so active. I will miss her so much.

Cora was a lovely woman we were pleased to meet & know. I fondly remember her pure enjoyment of chocolate & I could see the excited little girl in her as she would unwrap each sweet treat:) Beautiful indeed! My heart goes out to her family & friends. May we all live as healthy, happy & long as she did! Judy & Babi send their love & condolences too. Love you, Jennifer
