During our visits with your mother/ grandmother in Midland a major part of the conversation were the stories about the children and grandchildren. She must have been a great support for each of you both with your difficulties and your achievements. You will miss her. She was a fine person to visit.

Aunt Annie was our loving aunt oversees. I have visited her four times in Canada. The first time was with my brother Jacques when were teenagers. We stayed at the farm in Waverley for around two weeks. I remember the hospitality and the wonderful time we had. Aunt Annie arranged several trips and always joked about my long hair, all gone now ☹. The second time was with my father and uncle Cornelius for the funeral of Uncle Kees, my fathers brother. This was a sad occasion, but nevertheless the visit felt very good. We were happy to meet again with Aunt Annie and our cousins. Both my father and uncle Cornelius have passed away now, but I know they had truly warm feelings of this visit, like myself. In 2012 during summer, I took my family to Canada. Moniek and our sons, Loran and Jarne, really loved it! We had l lovely holiday time. Aunt Annie took us out for a lunch in a restaurant in Midland where we had interesting discussions about anything. She was a very bright old lady with a clear opinion and a lot of live experiences. The boys liked her very much. We are very happy that we have visited Aunt last year in Canada, a month after she celebrated her 95th birthday. Aunt Annie was still very clear of mind, but this was the beginning of the time that she started to have problems with her physical health. After all it was certainly good timing to visit her last summer. We had wine and dinner with her several times. Me Moniek and the boys again had a lovely time with her and this will be how she will be remembered by us. We will really miss Aunt Annie when we come to Canada again but we will always have very good memories of her. Condolences to all of her family and friends, we know she will be missed deeply Wim van der Poel, Moniek, Loran and Jarne

It is with great sadness that we hear of the passing of your mother, Johanna. Your parents were two of my first customers at Stoneleigh Motors in Penetanguishene back in 1973. I believe that I sold them a green Pontiac Acadian. Shortly after that I sold them a brand new GMC truck. Your father always made the acquisition, but your mother always took care of the financing. They remained faithful customers for all of my 35 years in sales. They were good people and cared so much for their family. They were always a pleasure to serve and will remain in my thoughts and prayers.
