Dear Kenney Family, I am sorry to hear of the passing of your mother. She was a good friend and a great member of the Women's Institute and through the many years of working together we never had a disagreement. She was an energetic leader and I enjoyed working with her. We had much in common as we both raised a big family. I admired her as a mother in the way she raised her family and the way she supported all of her children. I am grieving your loss with my love and prayers, Eva
