

LARRY ROSS GUNNING

Larry is going to be sorely missed by this family. I've known Larry for the past 12+ years and he was more than a brother in law to me. I considered him my brother. I will miss the fishing stories and his past life experiences that he liked to share. I'm thankful he was able to share some of his fishing secrets to me, which I'll be trying out :)

So very sad to hear this news. My heart is just breaking for you Jayne. I can hardly think of a time in Cori's childhood, that you and Larry (and of course Christina and Katie too) weren't a part of that time. Larry even took Cori out on her first snow mobile ride. Take comfort in knowing there is no more struggle where Larry is now. Let your faith guide you

My prayers are being sent for the Jayne and her children and families during this very difficult time. Many years ago, Larry showed me to be the woman of God I am today. We had a lot of memories from the past, He will be deeply missed.

To Jayne and the Gunning family. Sandy & I have had the privilege of sharing many wonderful times with you guys. It's amazing how despite different paths in life, God has a way to unite people in a very cool & special way. From serving on the board together at the church, to Larry learning the new pleasures of using the woman's washroom (LOL), Larry was a special friend to me. We are so blessed to have been able to spend time with you & Larry 2 weeks ago & share some laughs together. We will miss him! Our prayers will continue to be with you Jayne, and the family during this time of loss. We are saddened, and yet we rejoice. It has been a long journey but Larry is finally home!
