Dearest Sue & Family, Our love and prayers are with all of you at this time. Sue has been a Joy in our lives. Since the first day we moved here she would greet us with her radiant smile. No matter the weather we would see her on the road and Still be greeted with her joyful spirit. Sue would always ask how our dog was and called him by name. We knew when we first met you that you are a caring and loving person. we never met Winston or any of your family but would often hear Sue speak of all of you. Scott and I adore you Sue and we are here for you anytime you need us. Please know that throughout our years we have loved you and will continue to love you. Winston was very blessed to have you in his life and both of you must of had some amazing years together. Now is your time to grieve and to look back and think of all the wonderful times you had. Our continued prayers. Love, Sue & Scott Woof Louis the dog xxxx X
