My sincerest condolences goes out to the entire Glover family. I've only have the chance to meet George a few times, but have been blessed to have Sarah in my life since University. If Sarah's kindness and compassion are any reflection of George, then he must have been a very special person. Take good care. Sincerely, Mona

Dear Glover and Nugent family: Ingrid, Sean, Mark and I are praying and thinking of you all at this difficult time. We have many fond memories of George. He was a good man and will be missed. I will always treasure and remember his speech at his wedding with Theresa. He mentioned his appreciation for the expression from his father: " you done good George!" and he did throughout his whole life.

Dear Terry and family, We were saddened to read of George's death. We have such fond memories of our time as neighbours in Scarborough. George was always kind and considerate, and gave everyone the benefit of the doubt. A wonderful husband, father and neighbour, may he rest in peace. Love from Allison and Blaine

From early 1994 to the summer of 2002 I had the privilege of doing the books and payroll for CCSYR in Richmond Hill. As Executive Director, George was a great person to work for...always calm, cool and collected; and always grateful for everyone's participation. My year's at CCSYR were the best! May he rest in peace.

I just found out about George's passing. Please accept our sincerest condolences. He was our superior at Fr. Glover in Toronto in 1968 as 5 of us seminarians were part of the first class at the Toronto School of Theology. I have so many happy memories of our time together. His relaxed and caring approach was what we needed at the time. He was always thoughtful. Our paths would again cross in YMCA work.--as I worked in Toronto and he in Brantford. Again our sincerest thoughts and prayers to all of his family. Franco
