

## KEVIN GONNEAU

I have such a heavy heart reading this. Kevin was a wonderful man who loved his family and trucking. It is the latter that he and I came to know each other. Many mornings we would chat me enroute to work and he enroute home from his overnight run to Sudbury. I will miss those chats and his spirit. Our sympathies to Brian and the rest of Kevin's family. My heart breaks to know that Kevin is gone. He was such a caring and gentle soul. He had an easy laid-back business style that commanded respect from his employees and customers. I have know Kevin for 27 years and we have supported each other through many of life's tragedies and family celebrations. I will truly miss a man I am proud to call "my friend" . I send my sincere condolences to Brian, Nancy, Irene and Ginny but also to ALL his family members who I got to know so well. Kevin was devoted to all his family and he spoke of all of you with pride and love.
