Paul & Terry, Tom & Pam, Kathy & Brian and families Ken and I were sorry to hear of Jean's passing. She always had that twinkle in her eye. Now she and mom will be up there either having a drink and smiling or arguing who's the best grandma. We will miss them both.

Paul, tom & Kathy - So sorry to hear about your Mom. Of course, my remembrances of her and your Dad and you three go back a long way - right back to the 6th Concession of Flos - and then latterly at the Hillsdale Presbyterian Church. So, thinking of you at this time and regretting the strictures that the pandemic has imposed upon the possibilities for a more personal expression of my condolences. Blessings
