Dear Tara, Thane and the family. I am so very saddened by Doreen's passing. I had such high hopes for a better Pain free life after her Surgery. It was truly an honour to take care of her and to get to know her as a friend as well. My deepest sympathies to your whole family! Kate (PSW Care Partners)

Your Mom was one of the kindest sweetest person we ever knew..as the youngest one coming into the Orr Lake crew...she always made me feel comfortable..and part of the gang we had such crazy times together...her marching with a baton twirling and me doing cartwheels down Orr Lake Road in the wee hours of the morning..corn roasts..dances at Crowes wonderful memories she will certainly be missed by those that loved her...our deepest condolences...Love Aunt Betty Uncle Bob

Bonnie and Eric; So sorry for your family's loss. It's very sad when the second of our parents pass, it's the end of an era for us, and there leaves a gap of your family history and all the old stories. Our thoughts are with you at this time. Mom may be gone but she will never forgotten. Cathy & Wayne

Dear Tara, Thane, Kirk , Bonnie and family. I didn't know your Mom but I always wanted to meet her. Just the unique way she chose your names made me think she was quite the free spirit and creative thinker. A lover of the fine arts and classics in movies and theatre I see. I suspect she must have been a resilient and patient soul dealing with those rambunctious boys also ! I have shared many laughs and a wonderful friendship with Thane. I've heard many lovely things about your "wee Ma". It was plain to see that you all had a very close relationship. These are the ties that bind; the same ones that will pull you through the dark times. I hope good memories and friends sustain you during this most difficult heartbreak. Condolences from myself and my Mom, Mary Jean who had the pleasure of knowing her.
