Charmaine and family, Bill was just the nicest man who helped us so much when we moved into Park Place. His reputation is far and wide for being such a great guy. I have friends who moved to a Parkbridge community on Lake Erie - they told me about this great guy who did their warranty work. I recall saying that would be Bill. Yup it was. Residents from that community have asked that I also send condolences from them. He will be missed for his gentle manner, his great sense of humour and his smile. Please know our prayers are with you and your family during this terrible time.

Hello Charmaine I just today found out that Bill had passed away. I grew up with Bill. The one room public school thru high school. We had a lot of fun in our early teens, stealing a couple of my dad's cigars and headed to the bush with my shotgun to hunt rabbits. My wife Marg and I have bought a cottage here at wasaga beach and I was going to contact Bill to get some contractor info and have a visit.. Please let us know when the service will be. Again to you and family our condolences . Sad news. Bob and Marg Ingleton Bob
