Marg and family,,,so very sorry to hear of Vern's sudden passing. The Caston and Webb families were such a part of our family at Bluewater Beach. Most recently Vern was wonderful to us patients, Marg included, at GBGH in 2019,,,he was there so lovingly helping Marg through her recovery but also anyone else who needed anything. I will always remember him for that. Marg be sure to lean on your family and accept any help offered,,,I am so sorry for your loss.

Marg I was so sorry to hear of your loss. Condolences to all your family. As you know Vern and I worked together for years in the rehabilitation department at Waypoint hospital. When I found out that my hubby was related to you as I did not realize when I met him; well then after that I would call him cuz. He was a kind wonderful man. I just lost Larry this week on April 20th, 2021. May Vern and Larry Rest In Peace in God's home. The Beach Family ☐☐
