Very sorry to hear of Bob's passing. Bob worked with our Dad, Brian Jones for many years at Greening Donald and Dad had high regard for Bob as both a co-worker and friend. My brother and I had the pleasure of roofing our family home with Bob in the mid-80s and later I worked with him at the Building Centre in Midland. He was soft-spoken and always had time for anyone with a question, a good story or a joke. Condolences from the Brian Jones family.
