We are very sorry to learn of Harold's passing. We have very fond memories of visits with the family, slide shows, conversations about travels and the girls babysitting when we first came to Canada.

Lyn and I were saddened to learn of Harold's passing. Our deep condolences to the Martin family for your loss. When I worked the summer of '66 on the Martin farm, at some point he learned I had not gotten a driver's license. He arranged for Joyce and myself to take a weekly lesson from an instructor in Barrie. After some six lessons we both passed. It was such a boost to my teenager life and appreciated ever since. For this and many other things I learned that summer.....Thank you Harold!

The Coopers all have fond memories of the Martin family who lived on an adjoining farm. Harold's vacation slideshows were always fun to watch and established an early curiosity and hunger for travel in us. He always seemed to have a smile for each and every school kid he picked up (except for the day I got kicked off the bus in Grade 4 for throwing snowballs at Bruce Thurlow). Our hearts go out to the Martin family at this sad time, but please know our memory of Harold's happy manner and kind heart won't be extinguished anytime soon.

We are so sorry and saddened to hear of the passing of Uncle Harold. He was as a generous and supportive older brother to my mother. I fondly remember summers and weekends at the 'farm', learning to drive tractor and truck, baling hay, swimming at the beach and family dinners. The 'farm' was very special place in our lives. Jim, Bryan, Lynn and Bev it will be the little things that you remember, the quiet moments, the smiles, the laughter. And although it may seem hard right now, it will be the memories of these little things that help push away the pain and bring back the smiles when you think about your father. To all the Martin family, our sincere sympathy. Many great times were had especially through PYPS events, bowling in the fall/winter and baseball in the summer and your father (Harold) was most generous in letting Jim borrow the family station wagon so that a whole bunch of us teenagers could get to some event when we didn't have enough wheels. I remember sitting in the rear seat (facing backwards) on one such occasion. Good times. Prayers for all of you.
