My heart felt condolences to the Bell family for your loss. I only had an opportunity to meet Gramma Bell a few times but was so blessed to have had the opportunity to meet such a wonderful and thoughtful lady. May you all stay strong during this difficult period and know that God will guide the way.

I'm so sorry to find out about Marg's passing. We've been out of town for my Auntie's funeral or you know we would have been there to share memories of Marg with you. Sincerely, Linda
