To the Smith family. I am so sorry to hear of Joyce's passing. She was such a wonderful lady. I always enjoyed working with your Mom preparing for concerts and musicals. Nothing was ever too much to ask. I could have listened to her play the piano all the time. She was so good. Please accept my sincere condolences to you all.

I know how much she loved her family and I know my life was so enriched fir having her in my life. I will strive to make her proud of me and I will miss hey more than words can exoress. She was an amazing friend to me and my late husband and she will always be in my heart soul and mind till my time comes. Again if there is anything I can do to help please do not hesitate to ask

Dear friend Jane and family, as I hear of your loss, I'm reminded to be grateful for the time I have had with my own mother in this life. Our mothers have been such a blessing in our lives, and they will continue to bless us even now and in the future. Our kids and grandkids will continue the legacy our mothers began. Your mother has built a strong legacy that I know will continue on!! Jane, know that I am thinking about you and your family during this time. I'll hold you up daily in my thoughts and prayers! Virtual hugs, Wendy and Steve

To the Smith family, my condolences to all of you. Your mother was a wonderful lady. I have fond memories of your mom at the Sutton Skating Club, skating with her kids, her playing the organ at St. Andrew's Presbyterian Church and singing in the choir. She will be missed.
