I will never forget her many kindnesses to me (still making her Bits n Bites at Christmas!) and her welcoming nature. My deepest sympathies to Ursula, Jeff, Loren, Paul, Greg & families and all those who loved her. Sincerely, Julie

Our sincere and deepest condolences To Cathy's family. Our connections were when the kids were young and mainly through minor hockey. She was a straight forward and honest person with a sense of humour I appreciated.

Cathy was a great friend over many years - Simcoe Pony Club was lucky enough to have Cathy on our board of directors for many years. Cathy was a great friend to me personally when I relocated to Barrie and we had many great card games and scrabble nights with Ursula and accompanied by some stiff gin and tonics. She was a good listener and I shall miss our chats and her laugh Bless you and thank you for being a genuine loving pal Cheers and see ya Anna

My sincere condolences to my Grandma (Ursula), Jeff, Loren, Bob and family. I will always treasure the memories of time spent with my Aunt Cathy and all of you over the years, and am fortunate that I have managed to stay in touch with Cathy up until her final weeks. My only regret is not being able to visit with her more recently due to living overseas amidst the pandemic. She had so much life remaining to live and it is sad that her years on earth were cut short. Love, Creighton.

To Hoppies Family: My deepest sympathies as you mourn the loss of your daughter, mother and grandmother. I will cherish the many memories I have of "Big Red". As you all know, your mom was one special lady and will be dearly missed by many. I will most certainly

miss her and our chats about the Leafs and Jays! She took me under her wing at RVH and I will be forever great full! Our trips on Black Friday will never be the same without her! Much Love to all of you!

I was lucky enough to have Hoppy as my mentor when I started in Pacu. She showed such great compassion for her patient’s in particular children. She had a quiet, calm demeanour and had a wonderful dry wit. I loved to hear her laugh. Rest in peace my dear friend and colleague.Love Kellymac
