

## SHEILA MYRA CASTON

To Caston Family, so sorry for your loss I'm sure you have some great memories, and she is now united with Gerry. I have to say will always remember the day they where married Gerry coming into our service station in Wyevale wanting to know where he could get some Canadian Thistle because that's what Sheila wanted church decorated with, so off he went to find some. Great couple lots of fun R.I.P. Sheila
