LAWRENCE LEE TOWNES

Marg: Thinking of you as I remember Lawrence. I have known Lawrence for many years and always admired his carpenter skills, his quiet manner and friendly ways. He will be greatly missed by family and many friends. Dorothy Rumney

Our sympathy to Brian and family. Lawrence was a most ambitious man from boyhood on. Working as a carpenter ,he became a noted craftsmen in cabinetry and building his own homes. Life didn’t seem fair to him as he lost son Robert and wife Faye accidentally. His many friends will miss him!
