

JOHN RODNEY "ROD" CORLETT

If I could catch a rainbow, I would do it just for you. And share with you its beauty on the days you're feeling blue. If I could build a mountain you could call your very own. A place to find serenity, a place to be alone. If I could take your troubles I would toss them in the sea. But all these things I'm finding are impossible for me, I cannot build a mountain or catch a rainbow fair. But let me bewhat I know best, A friend that's always there. Love you Judy

Besides the many fine meals enjoyed at which Rod carefully carved the best of the roast on the table my friend , Bob, my son, Paul and friends, and I enjoyed the trout trips in Algonquin when Rod joined us and told his great stories of wrangling horses during his work in northern B.C. and catching salmon on Georgian Bay.

Barb.... We will miss Rod's Diesel; we will miss his friendly smiles and waves and hour long conversations on your patio..... Most of all

we will miss Rod's presence in our little Condo Family.... Know that we are here for you; no matter how trivial it might be; even just an ear to listen or a shoulder to lean on...we are happy his pain has ended and he will rest peacefully '
