Heel veel sterkte met dit grote verlies. Ik heb Ted nooit mogen ontmoeten maar via Anneke heb ik hem toch gekend. LOTS OF LOVE

My very special Grandpa! I miss you and love you so very much. My memories I will cherish, from my first bicycle and you teaching me how to ride it. My first roller coaster the dragon fyre with you right beside me. Turkey dinners, nascar, old cars, warm hugs and the best kisses. Your great granddaughters loved you so much! I will talk about you often and share stories. Rest peacefully sweet grandpa and I know you will watch over us as our Angel in heaven! May you Kiss grandma goodnight, I know she misses you terribly. Xoxox love your grand daughter Bianca
