We have had the pleasure of knowing Jen's dad, Russ since playing with the Lynda's Dodgers softball team every year. Russ was our amazing host, fun-loving coach and official dog watcher. All the memories we have with him have always been a riot. He had an incredible sense of humor often roasting Jen in some of the most amazing banter we've ever witnessed between a father and daughter. He will be missed. Our sincerest condolences to Jen and the rest of the Ritchie family. Love, Malcolm and Bethel

Dear Tim, Jen and the Ritchie and Lee connections Don McGrath (my Dad) and Russ worked driving gas trucks together proudly. We enjoyed a few coffees with Russ up at Coffee Time. Dad (Don) was happy to call him his friend. Good times. We extend our sympathies to you from the McGrath Connection

It was with sadness that we heard of the passing of Russ. George first worked with him on the main bridge across the Nottawasaga at Wasaga in 1959. Since then we spent many hours in Heritage Park removing trees, cleaning up on EDHS Day, and using his equipment

to chip brush. Russ was a wonderful friend and community worker. He was a model we could all emulate.

Worked with Russ for a couple of years taking down trees. He was a master of spiking up tree's. I tried under hi guidance but did not have the guts to get up there to top a tree. He took me to pickup fuel in double tanker, great experience. Proud to have known him, God Bless.
