Sorry to hear of Harald's passing. We've had many conversations with him over the years. We were always amazed at his command of the English language even though he grew up in Germany. He was able to express himself so well.

Dear Anne and family: I am very sorry to hear of the passing of Mr. Boker. I appreciated the chance to plant a garden on your property. Mr. Boker was encouraging, giving helpful hints about organic gardening and ideas for storing food for fall and winter use. I will always remember his war stories. I'll be thinking of you Anne, dealing with your great loss. So sorry.

Our sincere condolences on the loss of Harold. He was a gentleman, hard worker and loved the land and the sky. We saw lots of him and the family growing up and going to Wyecliffe Anglican Church. We saw him having a good long chat with our dad, Ivison at the babershop too when in town. May your good memories bring smiles. Janice, Owen & Kevin Spring
