My deepest and heartfelt condolences on the passing of one of my favorite Aunts. spent a lot of time on their farm and grew to love and appreciate her as my second mom. She'll be sorrowfully missed!!

Jennett Family, So sorry for your Loss. I have so many fond memories of Mrs. Jennett and the family at the farm across from my Grandparents - Lil and Jack O'Hara. I had never seen anyone make so many pancakes at breakfast! And the wonderful addition of the huge kitchen! Take care of yourselves and cherish her memory. Betty-Ann
