Russ & I are so very sorry to hear about Bob. Always enjoyed seeing his smiling face come into Dutcher & Corbett to see Fred Harpell. Then as years went on and we moved to Barrie, got to see both Yvette & Bob's smiling faces as we entered the doors of RVH. How comforting it was to see faces you knew. Such fond memories...

I worked with Bob was I was a "rookie" telephone man with Bell. Bob had a unique personality. His sense of humour was something one had to become familiar with. You could depend on Bob. I had great affection for the man. I transferred out of Midland in 1982, ending up in Owen Sound. Although I didn't keep in contact with Bob I still recall his laid back attitude and friendly humour.
