I am so saddened to hear of Richards passing. He is one of the Spitfires biggest fans. Richard will be missed greatly at the ball diamond, but I know he will continue to watch down and cheer us on from heaven. Richard's love for his children, grandchildren and wife Gwen was evident to me and my condolences go out to everyone in his family. #9

On behalf of my family we send our deepest condolences to you. I had the privilege of working with Richard for many years and the news of his passing gives me a heavy heart. He was such a wonderful person to know and work with. He always had time for me and my silly questions but listened with interest and gave me help whenever he was able. I will miss him but will always remember his smile and humour that made him such a wonderful person. I am thankful I got to know and work with him. On to his next project I'm sure in the stars above.
