I cannot believe you are gone big brother. You were way to young. I will always remember you as the best big brother a kid could ask for. You always had us laughing hysterically. You will be missed terribly. I wish we hadn't let time slip through our fingers. Love you Danny, rip Lisa and family

It is with great and deep sorrow of the passing of my brother Danny. I'm going to miss our time together and our family functions. I will miss his laugh. Danny was always there when you needed a hand. One of my memories is the Montreal trip we took together were I was in a hockey tournament. We had a blast so many laughs. I'm going to miss him dearly. My thoughts and prayers goes out to all family members. RIP
