

HARRIS WHITTON

Saddened to hear of Harris's passing. We had many great times.

Our condolences to all of the Whitton family. Harris always had some entertaining stories about the old days in the log house. He was a fun person to curl with. But he did scare the crap out of me on one Saturday afternoon plane ride. RIP

Sad news, going to miss having another friend at Studs. He was a guy you just knew had a wealth of experience and knowledge and respected what he said. Bye Harris.
