My condolences to the whole extended Jupp family on the loss of such a kind and funny storyteller that was Ken. My special thoughts to the two Jupp women I know best, Louise and Carol. I hold you in my heart. Cathy Mc.

Knowing Ken enriched my life greatly, hearing his wonderful, fun stories and feeling the warmth of his caring heart. He was a one of a kind guy! I knew him through my friendship with Louise, his middle daughter, and I am blessed to have gotten to know both Ken and Carol, coming to Louise's cottage and visiting them both frequently over the last few years. I consider myself blessed! My thoughts are with Carol and the whole family right now. If I miss him, how much more they must do so!
