Murr, I'll miss you my friend. I'll miss the laughs, the jokes and watching you beat me on the golf course, ..dam you could hit it good and shoot par while double bogie was like a birdie for me. I'll cheer for the Colts & maybe even the Bruins for you, but only for a select few games. I'll miss you buddy, know your family is in good hands we love you all so much. Much Love ☐

I am so very sorry for your loss. I met Murray when I started at the City of Barrie, he immediately took me under his wing to show me the ropes. He was so knowledgeable and willing to help. Murray seemed to be always smiling and he was always up for a quick sarcastic work joke, or to brag about how close he was to retiring! He had a huge impact on me at the City, as I know he did to so many others. Thinking of your family during this incredibly difficult time!

I am sorry to hear of Murray's passing. As a new co-op student at the City of Barrie years ago, Murray was so friendly and welcoming. Then I really got to see the true Murray with his quick wit and leaving early to go golfing.

Dear Jane and Lees family: So sorry for your loss of Murray. Our sincere condolences on behalf of Lynn my Mom Ann and myself. So many fond memories of Murray from a young age watching him play in the baseball games at the Hickling Paddison reunions to playing with him and Allan on Georgian Sports. Quietly charismatic, witty and a competitor not to be underestimated, Murray the Manager helped me fit into his team. Always those many encounters with Murray at City Hall and Colts games. Then by meeting Greg hearing his stories about his father was a very special opportunity to learn about Murray and how he raised his sons. Murray will be missed but
