Marc and Deb, our hearts are breaking for you and Ryan. Looking at her birthdate, Megan was two days younger than our youngest daughter, Danae. Please know we are praying for you all and sending hugs and peace your way. Much love, Janet and Larry Masse (Denomme) in Windsor. ’”

My deepest condolences to the Denomme family. Megan had a contagious spirit and beautiful heart. Although I have not known her for long, the short time that I was blessed to spend with her working with Petawawa Dental Centre showed me how beautiful she was at her core. I will miss our desk conversations about life, her wise advice and her ability to motivate people around her. She is already missed so dearly.

Had the honor of spending a lot of time with Megan over the past year. We spent a lot of time talking about her family and her love of her dogs. She spoke highly of her family and friends. I feel fortunate to have had the chance to be in her life, and I'm heartbroken that we didn't get more time. Sending so much love and strength to the family and friends that need it in the wake of this unimaginable loss.

I share a lot of good memories with Megan. She was always the life of the party, had a kind soul and a beautiful bright smile. I enjoyed working with her back in the a&w days and spending time with her outside of work. She will be missed by a lot of people.

I am so sorry for your loss. I worked with Megan at A&W and she really made every shift we had together so much fun. She was witty, and funny and just so sweet. I admired how outgoing and honest Megan was. She did my makeup for my prom day, she really had a way of making you feel special. She will be so deeply missed.

I don’t even have words to express my heartbreak for my beautiful Meg and what you all must be going through. Megan and I had the most loving friendship , there’s nothing we wouldn’t do for each other , I mothered her and she taught me that the small things aren’t a big deal . My heart will forever be missing a piece with my sweet girl in her new home .

To Megan’s family-mom, dad, brother and Dylan, I’m so sorry for the great loss of Megan in your lives. I can’t comprehend the gap that now exists where she once was for you. I was privileged to work with Megan at the dental office for a brief period of time, and she truly was always there to have fun with, talk with and work through life things with. Her heart was full of love for her little doggies and family. My deepest sympathies.
