DOROTHY ELENORE YUILL

Very sorry to hear the news of Auntie Dorothy's passing. I have so many memories from the cottage as I use to spend a few weeks there every summer as a kid. She sure lived a long life and will be missed by everyone. '•

Both Garry and I have wonderful memories of Dorothy, 'Mrs. Yuill' as we grew up at Bluewater Beach. She was always kind and nurturing... a Mom to all the little kids. She always made time for everyone and was always sweet natured and interested in what you were doing. It was such good fortune to have had her as our neighbour. Glen, Debbie, Don and families, we are so sorry for your loss. Dorothy was the one and only 'Mrs. Yuill', and we will miss her.

My Aunt Dorthy has gone to join her brothers, sisiters and good old Uncle Bob in Heaven. As a kid I always loved Blue Water Beach with all the kids and crazy uncle Bob. It was up to Aunt Dorothy to look after all the madness in the cottage called 'New York City'. Thanks for all the fun times Aunt Dorothy. You will be missed.

I will think of you often Aunt Dodie and will fondly remember how quickly you reeled me in with your love, bad-ass sense of humour, all while remaining a lady. See you on the flip-side. Love, hugs and peace to all family and friends.
