I'm so saddened to hear about Steve's passing and I'm sorry I can't be there. We haven't had much contact the last few years but I have so many very good memories of our friendship. My condolences to all of you girls and your families. He was such a good dad and a great friend.

So sad to hear of Steve's passing. I had the pleasure of meeting Steve years ago when he reskinned the cushions on my parents boat. We kept in touch throughout the years and worked together in the marine business on different projects. Steve became one of my mentors and a great friend. He was passionate about what he did, a true craftsman's. We would often talk shop and family and he would always have something witty to say about life. He loved his family very much and was so proud of his girls. You will truly be missed and always be remembered my friend. My deepest condolences to the family.

My deepest condolences to Steve's family especially the girls and the grandchildren. He was the best girl dad and papa ever and I am so very sorry for your loss. Steve was a life long friend and I will miss our banter and laughs together. My visits back east will not be the same without seeing him there..I simply loved the man, he was the best. May he rest in peace.
