I express my deepest sympathy. The Bible promises that your loved one will come to life again on a beautiful paradise earth when death will be no more in John 5:28, 29 and Revelation 21:4.

Hi Elaine I am not sure if you will remember me? I joined the Fire Service in March 1973 and I was posted to Station 24 after the training Academy. One of the first people I met was Wally, and I found him to be very generous with his knowledge and it was not long after that meeting he took me under his wing. He was very funny and always seemed to be in a great mood, which was very helpful to me and quickly allowed me to come out of my shell. I am so sorry for your loss. Wally will be fondly remembered by the many firefighters

he worked with over the years.
