My sincere sympathies to you Ellizabeth and your entire family with the passing of your mom. I remember having conversations with your mom when she visited the pottery many years ago. Hoping your many memories will help to ease your sorrow in the coming days. Thinking of you all, Gwen Maguire-Loverock

Our sincere sympathy Elizabeth and Chris and all Helen's family..We have such fun memories of life along the lake over the years.Farrell family connections and Kincardine United Church connections.Bits of flowers from her garden as we started our new home on Boiler Beach Rd..Such a caring,sharing person always ready to help. Elizabeth,we have made our home in Allandale Station retirement home in Barrie to be near our daughter in Stroud.
