Sandy Rob & Debra and Shannon and Kevin and grandkids. I still have a tear when I think of George. He loved his family and he always had a wink at the arena for you. Enjoyed seeing him in the mornings with the guys and the girls off to the side. Also a hello and wink and a good buy when he left. This will truly be missed. I will always this. Enjoyed seeing him at the ball diamond and coaching the ball team. We will miss him Thursday night. Our thoughts and prayers are with the family at this time. Sending our love.

In 1986 I shared the coaching of the Elmvale Bantams hockey team with George, a wonderful experience, that included a lot of pleasurable times with his son Rob. I learned a lot about respecting the skills and abilities of others. Since that time I bought several cars from him; he was a salesman that I could trust. Lately I have shared the ice at the curling rink. Ruth and I have always loved to be in the company of George and Sandy and share their stories. Our memories of George will always be happy ones!

Even though we saw very little of the Elmvale group in the past years he was someone who always took time for a conversation. He always reminded me a lot of dad (Frank) and his outlook on life.
