Pat was one of those people you meet in your life that leaves a lasting impact. She was not only a teacher of mine, but a mentor, an influencer and supporter. She could always find the positive, the opportunity and the creativity in anything. I saw first hand how she loved her children beyond words, and over the years, when we met by chance she spoke of her love for her entire family. May your hearts hold close the memories and the warmth of love that she had for each, and every one of you. Rest in peace dear lady, you were so loved. Michelle and Will Schepers

Pat Orr was a legend in the teaching profession. At least, that is how I viewed her. She was one of the first teachers I met when I began my teaching career with SMCDSB and I always found her to be kind and engaging. She was keen to let me know that her daughters were also teachers and over time, I came to meet them too. I am saddened to hear that Pat has passed away. I only learned this from reading the local Springwater News today. I'm sorry I missed sharing in your sorrow. Sending prayers and blessings your way.
