Dear Gary, Nancy, Ryan, Jess, Thea and Brooke, I am so sorry for your loss. I will miss his smile and the conversations we would have at the lake. He loved to remind me when school would be starting again and that my summer was over, and he always knew how to provide me with a break from work. May he be at peace.

Gary, Nancy, Ryan and family Very sorry to hear the passing of your father. He always had such a big smile when he passed by on the boat. My mom said to pass along her condolences, stating your father was always such a lovely man, and she enjoyed his company and said he spoke so highly of Nancy. May you find comfort in your memories during this difficult time.
